Our Summer camps offer so much for your child. We will have 2 - 3 Week Sessions but This year you will have a choice of signing up for a full 3 week session in July or August or you may choose to do a week here or a week there as it fits your summer schedule.

Morning Session AM- 9 to 12:00 or Afternoon Session PM- 12:30 to 3:30

or you may choose both sessions and go all day. 9 to 3:30

Registration/Supplies: \$25 per Session or \$40 if you sign up for both

Tuition:

3 week Half Day Session \$180

1 week Half Day Session \$70

3 week All Day Session \$360

1 week All Day Session \$140

They will get days full of exciting learning adventures wrapped around a super fun theme!! Each Week is Mon thru Thurs with a suggested activity for you to do with your child on Friday.

The camps will alternate morning session and afternoon session so you can choose all day and have something new both classes or if you choose Am or PM you can do all session choices by doing both sessions! All classes will be limited to 8 students and will run contingent to enrollment. Nice SMALL classes for hands on learning!

Details about each camp:

Dinosaurs Land Before Time

We will get to be Paleontologists and discover these extinct creatures of long ago, dig for fossils and even meet a "Real Paleontologist"!

Around The World

How fun to "travel" the globe as we learn all about different cultures of the world and eat new foods each day from a new country. We will also get to learn Karate on our Asian day with a trip next door to Tae Kwon Do!

Cowboys & The Old West

This was a hit last year as our day campers got to make a cowboy hat, ride a horse, go gold panning and even get put on a "Wanted Poster" Yee Haw!

Princess & Knights

We are making this camp even better by adding Knights to our Princess theme! We will learn all about Medieval times. A real princess and knight will visit. We will learn about chivalry and how to be a princess or a knight. It is sure to be a Royal affair with a "Grand Ball" at the end of the week!

Cooking, In the kitchen

What child doesn't love cooking in the kitchen? We will learn all about the basics of cooking, making master pieces each day. We will learn about nutrition and even counting money as we learn how to grocery shop. We will get to prepare a meal for our parents at this weeks end. YUM!!

Mad Science

Calling all young scientists! This week will be full of experiments. How to make slime and play dough. Each student will create their own Volcano and we will have them erupt after we learn about cause and effect of mixing chemicals. Simply fascinating, the world of science!

Enroll now to ensure your child's place in the session and times of your choice!! We can't wait for the fun to begin, yay for SUMMER!!
